

Country Lakes Villages - A Great Place to Live.

Winners of the **MOST OUTSTANDING SALES TEAM** award for the region
Winners of the **RESIDENT SATISFACTION (80%)** award

Country Lakes Village I and II are 55 + resident owned, 5 -star communities. They are in a lovely country like setting away from the hustle and bustle of city traffic but close to everything necessary. They have large clubhouses with library/card rooms, full kitchens, exercise rooms, billiard tables, year round heated pools and hot tubs, tennis courts, shuffleboard courts and covered patios where you can sit and relax and view one of our lakes.

You may choose how active you would like to be as there are plenty items to choose from: Pancake breakfasts, Potlucks, Bocce Ball, shuffleboard tournaments, Golf leagues (a course just a mile away), Bingo, cards of all kinds, darts, tennis, shrimp boils, dances, and don't miss the Saturday morning coffee hour where you meet your friends and find out what will be going on throughout the next week.

So, if you want the good life and a place where people care for one another stop in and look us over. Our office is easy to find as it is on the corner of Palmview Road and Bayshore Rd. just off of US 41. Just a hop and skip from US 275. Take exit 2 to US 41 and turn south. Go 1 ½ miles to 61st street (Palmview Road) and turn right (west). Go another ½ mile on your right. We will be glad to show you around.
